

March Forth / Idaho Rush 1st Annual College I.D Camp & Showcase

College coaches and youth players will gather at the Idaho Rush [Optimist Youth Sports Complex](#), April 18-20, 2014 for the March Forth / Idaho Rush College I.D. Camp & Showcase. This excellent opportunity is open to the entire soccer community that are Freshman, Sophomore, Junior or Seniors.

Idaho Rush CEO, Lee Riley, "We are proud to be the host club for this exciting event. Bringing college coaches to our community, to work directly with players for college placement consideration, is of great value to not only our Rush players, but to our soccer community as a whole."

Michael Mollay, Co-Founder of March Forth Soccer, "There is a strong need for showcase opportunities for Idaho players. March Forth and Idaho Rush are committed to creating those opportunities on a local level."

We have a wonderful line up of college programs that will train and evaluate players during the camp:
